# Welcome to Candywood Golf Club

Situated a few miles East of Warren and Northwest of Youngstown off of Route 82, Candywood Golf Club is an easy drive from Northeast Ohio and Western Pennsylvania. Candywood Golf Club is an 18-hole, par-72, public facility with the second generation of the Candella Family as its owner.

Since 1967, Candywood Golf Club has always boasted about its country club conditioned course with huge, fast greens, with no sand bunkers. Candywood Golf Club is a gently rolling course that is pleasant to walk if you desire and with the hole design to reward accurate approaches more so on the back nine with trees that line the fairways. Candywood has four sets of markers for all golfing abilities.

Candywood Golf Club has the pleasure to staff a PGA Golf Professional Barry Good and a certified Assistant Professional Kevin Vanoverbeke for all your golf needs. They are available for golf instruction, booking your tee times or golf outing, and selling your golf merchandise in our stocked-up Pro Shop. Both professionals have many duties to insure your day at Candywood is a special one.

Also on the staff at Candywood is our experienced Green Superintendent Bob Rappach. Bob oversees the maintenance of the course so your playing conditions are of the utmost standards. The staff and management of Candywood Golf Club would like for you to call and play Candywood. You will treat yourself to an enjoyable day and be happy you played one of the premier public facilities in the Mahoning Valley.

While golf is the tool, The **First Tee** is far more than about the game of golf.

A formal curriculum in life skills is taught by dedicated long-term mentors, to help children ages eight through eighteen, develop the character and life-enhancing values that will improve their chances for productive participation in society. The **First Tee's**, an initiative of the World Golf Foundation, fundamental strength comes from the game's most respected and influential organizations: The Augusta National Golf Club, Ladies Professional Golf Association, PGA of America, PGA Tour, and the United States Golf Association.

**Learn more about...**

**"Loop," refers to one circuit around the golf course, 18 holes. It is most commonly used by club caddies to refer to the number of times they worked in a given day.**

The MyLoopCard™ is not your average everyday golf scorecard. Today you will enjoy an extensive yardage book and scorecard with an added twist. You will be able to document a variety of basic stats that will help determine what part of your game needs improvement.

Take the MyLoopCard™ home and go to [www.mylooptracker.com](http://www.mylooptracker.com) for an in-depth look at your game. Information gathered during today's "loop" can be tabulated to find where improvement can be made. Track your handicap and golf game from round to round and season to season.

The MyLoopTracker system allows golfers to track their Driving Distance, Fairways Hit, Greens-In-Regulation(GIR), Putts, Sand Saves and Up & Downs on the scorecard for further examination after the "loop".

One of the toughest holes on the course with trouble on both sides. Play conservative here as par is a good score.

Keep your tee shot away from the trees on the right. This should allow for a short iron in and a good chance at birdie.

This difficult hole can make or break your round. Stay focused as two solid shots can net you par.
