Welcome to Fallbrook Golf Club

Situated in beautiful Gird Valley, Fallbrook Golf Club offers a challenge to golfers of all skill levels. Our regulation-length, par-72 golf course is accented by mature trees, including native Live Oak, Sycamore and Eucalyptus. Well manicured, strategically placed greens, and sand and water on many holes, add to the enjoyment of your round.

Whereas most courses have been taken over by large corporations, or are part of real estate developments, Fallbrook remains a maverick in today's golf community. One of the few courses that is still privately owned by an individual, Fallbrook enjoys a family atmosphere that extends to its employees and customers.

Fallbrook first opened in 1962 and has survived through the flooding in the late 1970s and early 1980. In May, 1999 we were proud to be the host of the inaugural tournament of the Futures Golf Tour, under the auspices of the LPGA. Over 30 years strong, Fallbrook is one of North San Diego County's best public golf course values.

Learn more about...

"Loop" refers to one circuit around the golf course, 18 holes. It is most commonly used by club caddies to refer to the number of times they worked in a given day.

The MyLoopCard™ is not your average everyday golf scorecard. Today you will enjoy an extensive yardage book and scorecard with an added twist. You will be able to document a variety of basic stats that will help determine what part of your game needs improvement.

Take the MyLoopCard™ home and go to www.mylooptracker.com for an in-depth look at your game. Information gathered during today's "loop" can be tabulated to find where improvement can be made. Track your handicap and golf game from round to round and season to season.

The MyLoopTracker system allows golfers to track their Driving Distance, Fairways Hit, Greens-In-Regulation(GIR), Putts, Sand Saves and Up & Downs on the scorecard for further examination after the "loop".

Longest par 5. Hillside on the left leaves a dangerous lie. A good 3 wood or 2 iron will put you on the putting surface for an easy birdie.

Slight dogleg left. Tall trees line the left and right. Stay long to avoid the 3 bogey bunkers in front.

Challenging par 3 requires an accurate club selection. Try to stay below the pin.

One of the longest par 4 on the course. Two long and straight shots might get you there. Par is a great score.
