WELCOME TO RIVER OAKS

The Course:

River Oaks Golf Course is a peaceful oasis located in the south end of the Salt Lake Valley that provides a great golfing experience for golfers of all abilities. River Oaks is perfect for golfers who enjoy spectacular views and a challenging test of golf. Amateurs or professionals will enjoy our

18 hole championship links-style layout where two fairways rarely meet, and most are surrounded by peaceful wetlands and water. Our unique setting next to the Jordan River makes play possible almost year round.

North Range Practice/ Teaching Facility:

River Oaks Golf Course is on the cutting edge of instruction to help you improve your game. With a separate entrance and parking located off 90th South and 891 West, our North Range is one of the best practice facilities in the state. Quality range balls, real green targets, golf instruction, custom club-fitting, club repair and adjustment products and services are available. For more information, please call 801-568-4657.

Banquet Facility:

Our luxurious clubhouse has an indoor banquet facility that comfortably seats 150 guests, and is ideal for luncheons, parties, weddings and receptions. The entire room is secluded and enclosed with windows to offer panoramic views of the Jordan River natural areas. For rental rates or more information, contact Banquet Manager, Lori at 801-870-0826. For a virtual tour of our facility, go to www.sandy.utah.gov/parks & select River Oaks Golf Course from the menu.

Learn more about...

"Loop," refers to one circuit around the golf course, 18 holes. It is most commonly used by club caddies to refer to the number of times they worked in a given day.

The MyLoopCard™ is not your average everyday golf scorecard. Today you will enjoy an extensive yardage book and scorecard with an added twist. You will be able to document a variety of basic stats that will help determine what part of your game needs improvement.

Take the MyLoopCard™ home and go to www.mylooptracker.com for an in-depth look at your game. Information gathered during today's "loop" can be tabulated to find where improvement can be made. Track your handicap and golf game from round to round and season to season.

The MyLoopTracker system allows golfers to track their Driving Distance, Fairways Hit, Greens-In-Regulation(GIR), Putts, Sand Saves and Up & Downs on the scorecard for further examination after the "loop".

Hazards run on both the right and left sides of this fairway. Keep your approach shots to the right side of the fairway, as the wet lands come into play on the left.

4 Par 4
Hcp 3/Hcp 9

● 435 ● 361
○ 328 ● 270

A careful tee shot is needed as the hazard runs the length of the hole on the right. A lay up to the 150 yard marker will find the widest part of the fairway.

5 Par 5
Hcp 7/Hcp 5

● 540 ● 492
○ 442 ● 404

A great par 3! This green is large and slopes from back to front. Short is much better than left or right on this hole.

7 Par 4
Hcp 5/Hcp 7

- 403 ● 361

This is a great par 4 with trouble both left and right. A lay up to the left center will leave you a mid iron to a well bunkered green.

8 Par 3
Hcp 17/Hcp 15

- 181 ● 155
- 146 ● 112

This is a long two tiered green that slopes left to right. Make sure you are on the right level to avoid three putts.

9 Par 4
Hcp 15/Hcp 11

- 358 ● 326
- 305 ● 264

A short but tricky par 4. Tee shots hit at the green look great from the tee, but end up in the hazard. Keep your approach shots on the left side of the green.

10 Par 4
Hcp 4/Hcp 14
● 403 ● 316
○ 277 ● 196

Truly one of the most challenging par 4's on the course. A lay up to the center of the fairway will leave you with the best approach to the green.

11 Par 4
Hcp 14/Hcp 12
● 324 ● 313
○ 280 ● 211

A deceptively short par 4. A lay up from the tee is recommended. The fairway opens up to the left, but you will be left with an approach over the trees, to a two tiered green.

12 Par 3
Hcp 16/Hcp 18
● 164 ● 152
○ 130 ● 94

A fun par 3 with a very small green. Take care not to short side your self left as the rough is deepest here.
